Glossaries Language Module: glossaries-dutch

Nicola Talbot

version 1.1 (2014-11-28)

This language module simply needs to be installed. The **glossaries** package will automatically load it if required.

This module is currently unmaintained. If you would like to volunteer to take over the maintaince, contact me at http://www.dickimaw-books.com/contact.html

Thank you to everyone who provided translations via comp.text.tex
